

TORO HIGH OUTPUT

5-UNIT REEL MOWER

The TORO T4240 is a high output reel mower able to compete with tractor-drawn gang mowers in large open areas, with the versatility to be used in confined spaces as either a triple or a five-unit machine. Excellent all-around visibility from the seating position allows cutting up to obstacles and helps ensure a safer operation. Includes cab.

ROPS Certified Cab

Comes with a ROPS certified cab installed. The fully glazed all-weather cab gives maximum visibility, safety & comfort. Air conditioning & heating systems are also available.

Switchable Drive Mode

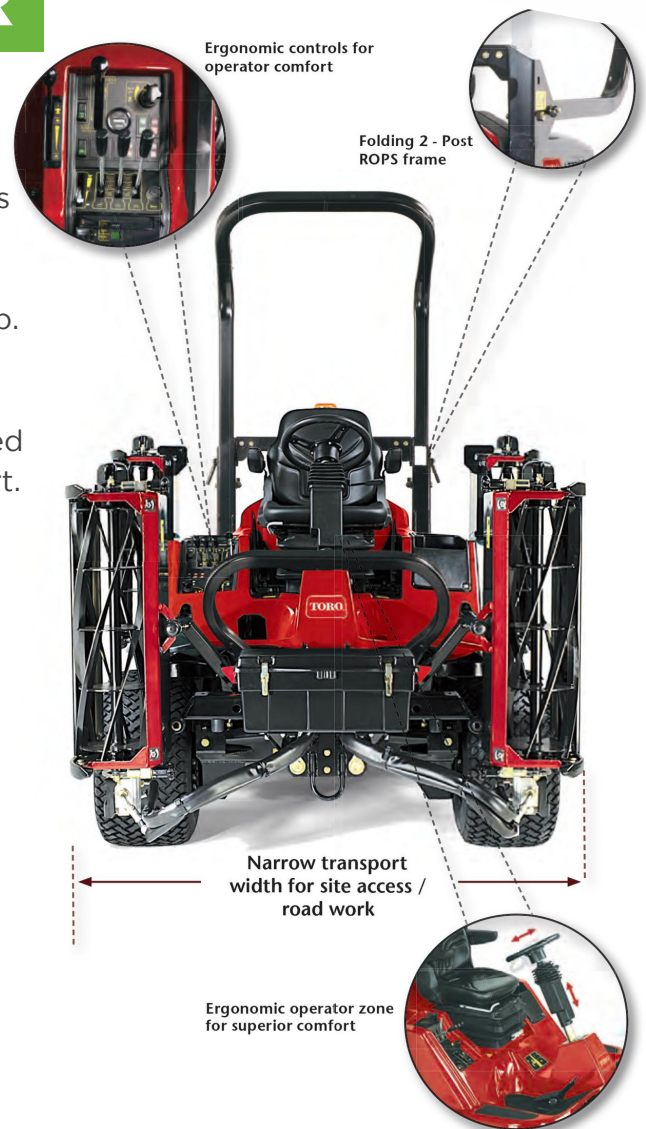

Has two switchable drive modes to suit the different traction requirements for grass & road surfaces.

Transmission System

Allows the machine to deliver excellent high torque performance on slopes. Reduce travelling time between sites, the machine has a maximum transport speed of 22 km/h.

Breakback System

The two outer cutting units incorporate a breakback system, which minimises damage if contact is made with obstructions.

Specifications:

Model T4240

ENGINE	Kubota V2203, 4-cylinder liquid-cooled diesel engine (47.3 hp)	CONTROLS	Cutting unit lift configuration switch, hand throttle, key ignition switch, cutting unit drive switch, adjustable seats
TRANSMISSION	Closed loop hydrostatic 4WD with foot operated differential lock	SEAT	Fully adjustable seat with arm rests, adjustable suspension
GROUND PRESSURE	0.7 - 1.41 kg/cm (10 - 20 psi)	OPERATOR SAFETY	Cutting unit drive disengages when operator leaves seat. Engine starts only when forward / reverse pedal is in neutral
STEERING	Hydrostatic rear wheel steering with shockload protection	WARNING LIGHTS	Hydraulic oil temperature, engine pre-heat, engine coolant temp, battery charge, engine oil pressure, hydraulic filter blocks.
BRAKES	Hydrostatic service brakes (oil immersed disk brakes)	STABILITY	15 degrees with cab installed; 16 degrees without cab installed
FUEL SYSTEM	70 Litres	SOUND POWER LEVEL	105 dB(A)
HYDRAULIC CAPACITY	77L Diagnostic hydraulic test ports, 10-micron filtration	SOUND PRESSURE	87 dB(A)
TYRES	Front: 26 x 12.00-12; Rear: 20 x 10.00-8, 4 ply Turf pattern		
SPEED	Mow: 13 km/h forward + 6.5km/h reverse. Transport: 22km/h forward + 11km/h reverse.		

2 Year Warranty

QUALITY BRANDS, EXCEPTIONAL SERVICE.
